| Data controller and a contact person | Masaryk University  
Miroslava Zbrankova (miroslava.zbrankova@ceitec.cz) |
| Jurisdiction | CZ Czech Republic |
| Personal data processed | CEITEC AAI gathers following personal data from you  
- your name  
- your e-mail address  
- your membership in the groups you are affiliated to within CEITEC  
- your external identifiers provided by your identity provider  
If you register using your identity provider (can be your home organization, Google, LinkedIn, …) user account, the following data is retrieved:  
- your unique user identifier  
- your name  
- name of your Home organisation  
- your role in your home organisation (if applicable); if you are a faculty member, staff, student, etc  
- optionally, your e-mail address |
| Purpose of the processing of personal data | CEITEC AAI processes your personal data to identify and authenticate you as a user of the CEITEC services, and to manage your access rights and other personal data for the CEITEC services.  
The log files produced by the AAI components will be used only for administrative, operational, accounting, monitoring and security purposes. |
Third parties to whom personal data is disclosed

As a gateway to CEITEC services, CEITEC AAI will release your personal data to the CEITEC services you are using. Data release will be done according to the sections 2.f and 2.l of the Data Protection Code of Conduct\(^1\). The current listing of associated CEITEC services is available at [https://login.ceitec.cz/services](https://login.ceitec.cz/services).

You agree that the logged information may be disclosed to other authorised participants via secured mechanisms, only for the same purposes and only as far as necessary to provide the services.

How to access, rectify and delete the personal data

Contact the contact person above.

To rectify the data released by your Home University, contact your Home Organisation’s IT helpdesk.

Data retention

Your personal data is deleted on request or if you have not logged in to CEITEC AAI for 24 months. The operational logs and related information is kept independently in order to guarantee the security of the infrastructure and its optimization.

Data Protection Code of Conduct

Your personal data will be protected according to the Code of Conduct for Service Providers\(^1\), a common standard for the research and higher education sector to protect your privacy.
